

Checklist for Newborns

The Consular Report of Birth Abroad, like a state-issued birth certificate in the United States, is primary proof of U.S. citizenship issued to a person under age 18, who was born abroad to a U.S. citizen parent(s). Parents of a newborn U.S. citizen child should apply for a Consular Report of Birth Abroad at the Consular Section at their earliest convenience.

The following checklist provides a list of requirements for all applicants for a Consular Report of Birth Abroad, as well as a first-time passport. We kindly ask that all applicants complete the checklist below and attach this document with their application as a cover sheet. **Any application submitted without a completed checklist will be returned, and another appointment will be required.**
